A native of Toronto, Canada, Steve moved to the Phoenix area in 1998, following a desire “...to live in a completely different environment”. After brief stints as manager of a gold mine and manager of a landscape business, Steve returned to remodeling. In his spare time Steve enjoys time with his family, snow skiing, scuba diving, reading and

working on computers. Steve is excited to bring his unique skill set to Republic West and is eager to help clients turn their remodeling visions into reality.
